

Denver-based United Western Bancorp, Inc. (NASDAQ: UWBK) is focused on developing its community-based banking network through its subsidiary, United Western Bank®, by strategically positioning branches across Colorado's Front Range market and certain mountain communities. The area spans the eastern slope of the Rocky Mountains - from Pueblo to Fort Collins, and from metropolitan Denver to the Roaring Fork Valley. United Western Bank serves its local communities by providing a broad range of personal and business depository services, offering residential, consumer and commercial real estate loans.

Additional Services

Internet Banking

Access your banking information anytime, anywhere through our secure internet site.

Visa® Debit Card

Use it just like a check at retailers where Visa is accepted. All transactions are detailed in your account history.

Certificate of Deposit

Get a fixed rate of return on your money for a specified term.

Overdraft Protection

Protect yourself from overdrawing your account.

Simply follow these 3 steps:

- 1. Open your New United Western Bank Checking Account.**
To open any United Western Bank Checking Account, including our Free Checking Option, visit any United Western Bank location or please call 720-956-6500.
- 2. Move Your Transactions to Your New Account. Change Your Direct Deposit to United Western Bank.**
For payroll Direct Deposit, fill out the enclosed *Payroll Direct Deposit* change form and give it to your employer's payroll office or we'll mail it for you.

To change Social Security Direct Deposit, call the Social Security Administration at 800-SSA-1213 (800-772-1213) and tell them to switch your direct deposit to United Western Bank. Be prepared to give them your new account number and United Western Bank's routing number **102089534**.

Switch Your Automatic Withdrawals.

Use the enclosed *Automatic Withdrawal Change* form to contact any organization that you have authorized to make automatic withdrawals from your account and let them know that you have switched to United Western Bank. You need to include a voided United Western Bank check.

Switch Charges Automatically Billed to Your Checking Account.

Contact any company that you have authorized to receive payment and tell them to debit your new United Western Bank account instead. They will need your new account number or new debit card number and expiration date.

Let Outstanding Checks And Automatic Withdrawals Clear in Your Old Account.

Leave enough money to cover your outstanding checks. It may take several weeks for everything to clear. Remember, with our Free Checking Account there are no fees so we won't charge you for anything. We make it easier for our customers to make the transition.

If changes are for Social Security Administration payments, please use the form provided at

<http://fms.treas.gov/efit/1199A.pdf>

- 3. Close Your Old Account.**
Request a check for the remaining balance to close your account. Make sure that all your transactions have cleared before closing.

Destroy your checks and ATM/Debit Card from your former bank.
